 **Einfach fantastisch.**

PlayMais® zeigt Kindern, wie einfach es ist, ihrer Kreativität Ausdruck zu verleihen. Durch seinen natürlichen Stärkegehalt klebt PlayMais® fast wie von allein – ein kleiner Tropfen Wasser reicht aus, um fantastische Welten zu erschaffen.

 **Just fantastic!**

PlayMais® shows children how easy it is to express their creativity. Thanks to its natural starch content, PlayMais® almost sticks by itself: a small drop of water and you can start creating magical worlds.

 **Tout simplement fantastique !**

Grâce à sa teneur en amidon naturel, PlayMais® colle presque tout seul : une seule petite goutte d'eau et les enfants peuvent commencer à réaliser facilement de merveilleuses créations dont ils sont très fiers.

**🇩🇪 Einfach vielseitig.**

Kreative Kinder jeden Alters lieben PlayMais®. Die Gestaltungsmöglichkeiten sind nahezu unbegrenzt: Kinder entwerfen mit PlayMais® MOSAIC zweidimensionale Modelle, indem sie es auf Papier kleben. Mit PlayMais® CLASSIC bauen sie dreidimensionale Figuren nach Anleitung oder lassen ihrer Fantasie einfach freien Lauf.

**🇬🇧 For all ages!**

The creative possibilities are nearly unlimited and creative children of every age love PlayMais®. They design 2-D models by sticking PlayMais® MOSAIC on cards. They are also able to build 3-D figurines with PlayMais® CLASSIC following the instructions or their imagination.

**🇫🇷 Pour tous les âges !**

Les possibilités de création PlayMais® sont presque illimitées. Les enfants décorent des cartes modèles pour ensuite réaliser des sujets et formes plus complexes en volume. PlayMais® développe la précision du geste et la créativité de l'enfant selon un mode d'emploi ou en laissant leur imagination s'envoler.
